Dear Jeffrey S Beaton:

The file indicates several stations/branches and the P&DC failed to achieve 90% of the Line H hours for FY 2015. For several facilities this is the second consecutive year. Therefore a lump sum of \$155,000.00 shall be shared by the custodians designated by the union. The local will supply the names, EINs, and amounts to be paid to the undersigned Step 3 designee.

Sincerely,

Jimmy G Ball
